

About the course:

The Ayurveda Wellness Consultant (ARWC) 550-hour certificate program (multiple learning Options) focuses on the first goal of Ayurveda: To preserve the health of the healthy. This year-long program provides students with a comprehensive Ayurvedic education. Upon completion, one will be able to practice as an Ayurvedic Wellness Consultant providing clients with practical information on wellness and the prevention of disease. This course is offered as a precursor to advanced training in our certified Ayurveda Practitioner program.

Ayurveda's highlighting on diet and lifestyle can have a profound positive impact on those who practice the wisdom. The ARWC program structures a comprehensive curriculum intended to give the individual in-depth knowledge and understanding in the philosophy, principles, theory and practical application in Ayurvedic preventive care.

MULTIPLE LEARNING OPTIONS

Regular Student option

This is a comprehensive program option where Students are required to attend a yearlong course and receive complete credit and certification. Students are required to take quizzes, complete homework and take the mid-term as well as final exam to receive the certification and final grade.

Stand-alone Student option

This option is specially designed for those students who are not able to attend all classes due to their schedule conflict but still want to have credit accumulated to complete the whole program over the period of time.

For self-knowledge only option

This option is for those who are interested in learning Ayurveda for self-help to grow their own knowledge and not interested in practicing as an Ayurveda Consultant. This program is suitable for those who do not want to give quizzes, homework, exams etc. Please note that this option will not earn any credit for program attended.
